

Year Report 2025

Stichting NovArtFea

Introduction

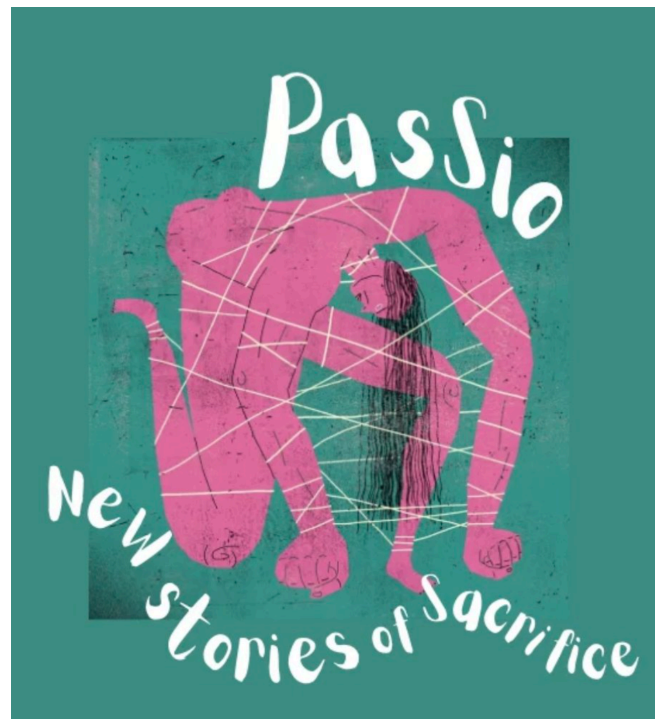

The foundation “Stichting NovArtFea” was established in the summer of 2024. So the year of 2025 was the first full year of action. Of course Lucie de Saint Vincent remains the artistic director, but the board is slightly changed. We thank Melanie for all her hard work and welcome heartedly Annelies as our new chair:

The current board is formed again by three volunteers:

- Annelies Andries (chair)
- Shurok al Shohof (treasurer)
- Leonie Slegers (secretary).

NovArtFea

This name was chosen by three Latin words: novus, art and femina. As the name suggests, the purpose of the foundation is to support new, innovative musical and cultural projects, developed, produced and performed by women. The focus hereby is on performing acts in the broadest sense.

Mission

The foundation NovArtFea aims to stimulate projects that evolve from the creative power of women and to offer a platform for imagination and creativity in all its forms. The foundation does not aim to make a profit. The one project which was stimulated in 2025 was "Passio", as it turned out to be quite an ambitious multinational and multicultural project to start with for a starting Stichting. Nevertheless, with help of our Belgium colleagues we did manage to raise four dutch funds, two anonymous and Dioraphte and Cultuurfonds.

Policy plan

NovArtFea strives to receive funds, grants and donations to realize her mission. She will manage and account for cash flows in a transparent manner. At the start of this enterprise the foundation focuses on the project "Passio", see our website. We are proud to say that with the help of all our colleagues we did make this project happen.

Activities

The board had three meetings in 2025, in February, May and September. In the meanwhile, we started online platforms on linked-in, facebook en instagram and communicated with the funds and our partners.

ANBI status

The Stichting is in possession of the cultural ANBI status, which means that financial support can be deducted from tax. Periodic gifts are deductible until a maximum, normal gifts have a threshold value and a maximum. For details:
